Features and Magic Items

Cleric1

Subclasses

Subclass: Life Domain

The Life domain focuses on the vibrant positive energy-one of the fundamental forces of the universe- that sustains all life. The gods of life promote vitality and health through healing the sick and wounded, caring for those in need, and driving away the forces of death and undeath. Almost any non-evil deity can claim influence over this domain, particularly agricultural deities (such as Chauntea, Arawai, and Demeter), sun gods (such as Lathander, Pelor, and Re-Horakhty), gods of healing or endurance (such as Ilmater, Mishakal, Apollo, and Diancecht), and gods of home and community (such as Hestia, Hathor, and Boldrei).

Features

Blessed Healer

Source: Cleric (Life Domain)

Beginning at 6th level, the healing spells you cast on others heal you as well. When you cast a spell of 1st level or higher that restores hit points to a creature other than you, you regain hit points equal to 2 + the spell's level.

By Popular Demand

Source: Background (Entertainer)

You can always find a place to perform, usually in an inn or tavern but possibly with a circus, at a theater, or even in a noble's court. At such a place, you receive free lodging and food of a modest or comfortable standard (depending on the quality of the establishment), as long as you perform each night. In addition, your performance makes you something of a local figure. When strangers recognize you in a town where you have performed, they typically take a liking to you.

Channel Divinity (3x/SR)

Source: Cleric

At 2nd level, you gain the ability to channel divine energy directly from your deity, using that energy to fuel magical effects. You start with two such effects: Turn Undead and an effect determined by your domain. Some domains grant you additional effects as you advance in levels, as noted in the domain description.

When you use your Channel Divinity, you choose which effect to create. You must then finish a short or long rest to use your Channel Divinity again.

Some Channel Divinity effects require saving throws. When you use such an effect from this class, the DC equals your cleric spell save DC.

Beginning at 6th level, you can use your Channel Divinity twice between rests, and beginning at 18th level you can use it three times between rests. When you finish a short or long rest, you regain your expended uses.

Channel Divinity: Preserve Life

Source: Cleric (Life Domain)

Starting at 2nd level, you can use your Channel Divinity to heal the badly injured. As an action, you present your holy symbol and evoke healing energy that can restore a number of hit points equal to five times your cleric level. Choose any creatures within 30 feet of you, and divide those hit points among them. This feature can restore a creature to no more than half of its hit point maximum. You can't use this feature on an undead or a construct.

Channel Divinity: Turn Undead

Source: Cleric

As an action, you present your holy symbol and speak a prayer censuring the undead. Each undead that can see or hear you within 30 feet of you must make a Wisdom saving throw. If the creature fails its saving throw, it is turned for 1 minute or until it takes any damage.

A turned creature must spend its turns trying to move as far away from you as it can, and it can't willingly move to a space within 30 feet of you. It also can't take reactions. For its action, it can use only the Dash action or try to escape from an effect that prevents it from moving. If there's nowhere to move, the creature can use the Dodge action.

Darkvision (120')

Source: Race

Accustomed to life underground, you have superior vision in dark and dim conditions. You can see in dim light within 120 feet of you as if it were bright light, and in darkness as if it were dim light. You can't discern color in darkness, only shades of gray.

Destroy Undead (CR 4)

Source: Cleric

Starting at 5th level, when an undead fails its saving throw against your Turn Undead feature, the creature is instantly destroyed if its challenge rating is at or below a certain threshold, as shown in the Destroy Undead table.

Disciple of Life

Source: Cleric (Life Domain)

Also starting at 1st level, your healing spells are more effective. Whenever you use a spell of 1st level or higher to restore hit points to a creature, the creature regains additional hit points equal to 2 + the spell's level

Divine Intervention

Source: Cleric

Beginning at 10th level, you can call on your deity to intervene on your behalf when your need is great.

Imploring your deity's aid requires you to use your action. Describe the assistance you seek, and roll percentile dice. If you roll a number equal to or lower than your cleric level, your deity intervenes. The DM chooses the nature of the intervention; the effect of any cleric spell or cleric domain spell would be appropriate.

If your deity intervenes, you can't use this feature again for 7 days. Otherwise, you can use it again after you finish a long rest.

At 20th level, your call for intervention succeeds automatically, no roll required.

Divine Strike (2d8)

Source: Cleric (Life Domain)

At 8th level, you gain the ability to infuse your weapon strikes with divine energy. Once on each of your turns when you hit a creature with a weapon attack, you can cause the attack to deal an extra 1d8 radiant damage to the target. When you reach 14th level, the extra damage increases to 2d8.

Drow Magic

Source: Race (Dark Elf)

You know the dancing lights cantrip. When you reach 3rd level, you can cast the faerie fire spell once per day. When you reach 5th level, you can also cast the darkness spell once per day. Charisma is your spellcasting ability for these spells.

Fey Ancestry

Source: Race (Elf)

You have advantage on saving throws against being charmed, and magic can't put you to sleep.

Sunlight Sensitivity

Source: Race (Dark Elf)

You have disadvantage on attack rolls and on Wisdom (Perception) checks that rely on sight when you, the target of your attack, or whatever you are trying to perceive is in direct sunlight.

Supreme Healing

Source: Cleric (Life Domain)

Starting at 17th level, when you would normally roll one or more dice to restore hit points with a spell, you instead use the highest number possible for each die. For example, instead of restoring 2d6 hit points to a creature, you restore 12.

Trance

Source: Race (Elf)

Elves don't need to sleep. Instead, they meditate deeply, remaining semiconscious, for 4 hours a day. (The Common word for such meditation is "trance.") While meditating, you can dream after a fashion; such dreams are actually mental exercises that have become reflexive through years of practice. After resting in this way, you gain the same benefit that a human does from 8 hours of sleep.

Magic Items

Spell Descriptions

Cleric1

Aid

Abjuration Level 2

Casting Time: 1 action

Duration: 8 hours

Range: 30 feet

Components: V, S, M (A tiny strip of white cloth)

Your spell bolsters your allies with toughness and resolve. Choose up to three creatures within range. Each target's hit point maximum and current hit points increase by 5 for the duration.

At Higher Levels: When you cast this spell using a spell slot of 3rd level or higher, a target's hit points increase by an additional 5 for each slot level above 2nd.

Banishment

Abjuration Level 4 (concentration)

Casting Time: 1 action

Duration: Concentration, up to 1 minute

Range: 60 feet

Components: V, S, M (An item distasteful to the target)

You attempt to send one creature that you can see within range to another place of existence. The target must succeed on a Charisma saving throw or be banished.

If the target is native to the plane of existence you're on, you banish the target to a harmless demiplane. While there, the target is incapacitated. The target remains there until the spell ends, at which point the target reappears in the space it left or in the nearest unoccupied space if that space is occupied.

If the target is native to a different plane of existence than the one you're on, the target is banished with a faint popping noise, returning to its home plane. If the spell ends before 1 minute has passed, the target reappears in the space it left or in the nearest unoccupied space if that space is occupied. Otherwise, the target doesn't return.

At Higher Levels: When you cast this spell using a spell slot of 5th level or higher, you can target one additional creature for each slot level above 4th.

Beacon Of Hope

Abjuration Level 3 (concentration)

Casting Time: 1 action

Duration: Concentration, up to 1 minute

Range: 30 feet

Components: V, S

This spell bestows hope and vitality. Choose any number of creatures within range. For the duration, each target

has advantage on Wisdom saving throws and death saving throws, and regains the maximum number of hit points possible from any healing.

Bless

Enchantment Level 1 (concentration)

Casting Time: 1 action

Duration: Concentration, up to 1 minute

Range: 30 feet

Components: V, S, M (A sprinkling of holy water)

You bless up to three creatures of your choice within range. Whenever a target makes an attack roll or a saving throw before the spell ends, the target can roll a d4 and add the number rolled to the attack roll or saving throw.

At Higher Levels: When you cast this spell using a spell slot of 2nd level or higher, you can target one additional creature for each slot level above 1st.

Cure Wounds

Evocation Level 1

Casting Time: 1 action

Duration: Instantaneous

Range: Touch

Components: V, S

A creature you touch regains a number of hit points equal to 1d8 + your spellcasting ability modifier. This spell has no effect on undead or constructs.

At Higher Levels: When you cast this spell using a spell slot of 2nd level or higher, the healing increases by 1d8 for each slot level above 1st.

Dancing Lights

Evocation Cantrip (concentration)

Casting Time: 1 action

Duration: Concentration, up to 1 minute

Range: 120 feet

Components: V, S, M (A bit of phosphorus or wychwood, or a glowworm)

You create up to four torch-sized lights within range, making them appear as torches, lanterns, or glowing orbs that hover in the air for the duration. You can also combine the four lights into one glowing vaguely humanoid form of Medium size. Whichever form you choose, each light sheds dim light in a 10-foot radius.

As a bonus action on your turn, you can move the lights up to 60 feet to a new spot within range. A light must be

within 20 feet of another light created by this spell, and a light winks out if it exceeds the spell's range.

Daylight

Evocation Level 3

Casting Time: 1 action

Duration: 1 hour

Range: 60 feet

Components: V, S

A 60-foot-radius sphere of light spreads out from a point you choose within range. The sphere is bright light and sheds dim light for an additional 60 feet.

If you chose a point on an object you are holding or one that isn't being worn or carried, the light shines from the object with and moves with it. Completely covering the affected object with an opaque object, such as a bowl or a helm, blocks the light.

If any of this spell's area overlaps with an area of darkness created by a spell of 3rd level or lower, the spell that created the darkness is dispelled.

Death Ward

Abjuration Level 4

Casting Time: 1 action

Duration: 8 hours

Range: Touch

Components: V, S

You touch a creature and grant it a measure of protection from death. The first time the target would drop to 0 hit points as a result of taking damage, the target instead drops to 1 hit point, and the spell ends. If the spell is still in effect when the target is subjected to an effect that would kill it instantaneously without dealing damage, that effect is instead negated against the target, and the spell ends.

Geas

Enchantment Level 5

Casting Time: 1 minute

Duration: 30 days

Range: 60 feet

Components: V

You place a magical command on a creature that you can see within range, forcing it to carry out some service or refrain from some action or course of activity as you decide. If the creature can understand you, it must succeed on a Wisdom saving throw or become charmed by you for the duration. While the creature is charmed by you, it takes 5d10 psychic damage each time it acts in a manner directly counter to your instructions, but no more than once each day. A creature that can't understand you is unaffected by the spell.

You can issue any command you choose, short of an activity that would result in certain death. Should you issue a suicidal command, the spell ends. You can end the spell

early by using an action to dismiss it. A remove curse, greater restoration, or wish spell also ends it.

At Higher Levels: When you cast this spell using a spell slot of 7th or 8th level, the duration is 1 year. When you cast this spell using a spell slot of 9th level, the spell lasts until it is ended by one of the spells mentioned above.

Guardian Of Faith

Conjuration Level 4

Casting Time: 1 action

Duration: 8 hours

Range: 30 feet

Components: V

A Large spectral guardian appears and hovers for the duration in an unoccupied space of your choice that you can see within range. The guardian occupies that space and is indistinct except for a gleaming sword and shield emblazoned with the symbol of your deity.

Any creature hostile to you that moves to a space within 10 feet of the guardian for the first time on a turn must succeed on a Dexterity saving throw. The creature takes 20 radiant damage on a failed save, or half as much damage on a successful one. The guardian vanishes when it has dealt a total of 60 damage.

Heal

Evocation Level 6

Casting Time: 1 action

Duration: Instantaneous

Range: 60 feet

Components: V, S

Choose a creature that you can see within range. A surge of positive energy washes through the creature, causing it to regain 70 hit points. The spell also ends blindness, deafness, and any diseases affecting the target. This spell has no effect on constructs or undead.

At Higher Levels: When you cast this spell using a spell slot of 7th level or higher, the amount of healing increases by 10 for each slot level above 6th.

Hold Person

Enchantment Level 2 (concentration)

Casting Time: 1 action

Duration: Concentration, up to 1 minute

Range: 60 feet

Components: V, S, M (A small, straight piece of iron)

Choose a humanoid that you can see within range. The target must succeed on a Wisdom saving throw or be paralyzed for the duration. At the end of each of its turns, the target can make another Wisdom saving throw. On a success, the spell ends on the target.

At Higher Levels: When you cast this spell using a spell slot of 3rd level or higher, you can target one additional

humanoid for each slot level above 2nd. The humanoids must be within 30 feet of each other when you target them.

Lesser Restoration

Abjuration Level 2

Casting Time: 1 action

Duration: Instantaneous

Range: Touch

Components: V, S

You touch a creature and can end either one disease or one condition afflicting it. The condition can be blinded, deafened, paralyzed, or poisoned.

Light

Evocation Cantrip

Casting Time: 1 action

Duration: 1 hour

Range: Touch

Components: V, M (A firefly or phosphorescent moss)

You touch one object that is no larger than 10 feet in any dimension. Until the spell ends, the object sheds bright light in a 20-foot radius and dim light for an additional 20 feet. The light can be colored as you like. Completely covering the object with something opaque blocks the light. The spell ends if you cast it again or dismiss it as an action.

If you target an object held or worn by a hostile creature, that creature must succeed on a Dexterity saving throw to avoid the spell.

Mass Cure Wounds

Evocation Level 5

Casting Time: 1 action

Duration: Instantaneous

Range: 60 feet

Components: V, S

A wave of healing energy washes out from a point of your choice within range.

Choose up to six creatures in a 30-foot-radius sphere centered on that point. Each target regains hit points equal to $3d8$ + your spellcasting ability modifier. This spell has no effect on undead or constructs.

At Higher Levels: When you cast this spell using a spell slot of 6th level or higher, the healing increases by $1d8$ for each slot level above 5th.

Raise Dead

Necromancy Level 5

Casting Time: 1 hour

Duration: Instantaneous

Range: Touch

Components: V, S, M (A diamond worth at least 500 gp, which the spell consumes)

You return a dead creature you touch to life, provided that it has been dead no longer than 10 days. If the creature's soul is both willing and at liberty to rejoin the body, the creature returns to life with 1 hit point.

This spell also neutralizes any poison and cures nonmagical diseases that affected the creature at the time it died. This spell doesn't, however, remove magical diseases, curses, or similar effects; if these aren't first removed prior to casting the spell, they take effect when the creature returns to life. The spell can't return an undead creature to life.

This spell closes all mortal wounds, but it doesn't restore missing body parts. If the creature is lacking body parts or organs integral for its survival – its head, for instance – the spell automatically fails.

Coming back from the dead is an ordeal. The target takes a -4 penalty to all attack rolls, saving throws, and ability checks. Every time the target finishes a long rest, the penalty is reduced by 1 until it disappears.

Revivify

Necromancy Level 3

Casting Time: 1 action

Duration: Instantaneous

Range: Touch

Components: V, S, M (Diamonds worth 300 gp, which the spell consumes)

You touch a creature that has died within the last minute. That creature returns to life with 1 hit point. This spell can't return to life a creature that has died of old age, nor can it restore any missing body parts.

Sacred Flame

Evocation Cantrip

Casting Time: 1 action

Duration: Instantaneous

Range: 60 feet

Components: V, S

Flame-like radiance descends on a creature that you can see within range. The target must succeed on a Dexterity saving throw or take $1d8$ radiant damage. The target gains no benefit from cover for this saving throw.

At Higher Levels: The spell's damage increases by $1d8$ when you reach 5th level ($2d8$), 11th level ($3d8$), and 17th level ($4d8$).

Spiritual Weapon

Evocation Level 2

Casting Time: 1 bonus action

Duration: 1 minute

Range: 60 feet

Components: V, S

You create a floating, spectral weapon within range that lasts for the duration or until you cast this spell again. When you cast the spell, you can make a melee spell attack against

a creature within 5 feet of the weapon. On a hit, the target takes force damage equal to **1d8** + your spellcasting ability modifier.

As a bonus action on your turn, you can move the weapon up to 20 feet and repeat the attack against a creature within 5 feet of it.

The weapon can take whatever form you choose. Clerics of deities who are associated with a particular weapon (as St. Cuthbert is known for his mace and Thor for his hammer) make this spell's effect resemble that weapon.

At Higher Levels: When you cast this spell using a spell slot of 3rd level or higher, the damage increases by **1d8** for every two slot levels above the 2nd.
